The St. Louis County Police Department documentary, "Police Week", was officially selected to screen at the St. Louis Filmmakers Showcase as part of the "Documentary Shorts 1" program. It showed at the Hi-Pointe Theatre on July 21, 2023.

The short film, directed and produced by Department Digital Media Specialist Brian McClelland, follows the journey of the friends and family of our fallen officer Antonio A. Valentine as they travel to Washington, DC., to experience National Police Week.

In 1975, McClelland's father, Wayne B. McClelland, was the first St. Louis County officer lost in the line of duty, making this a very personal project for the filmmaker.

DID YOU KNOW?

Did you know your child's conduct in and out of school can have an impact on their participating in interscholastic activities? With Valley Park High School being a member of the Missouri State High School Activities Association (MSHSAA), its students must adhere to requirements set by MSHSAA to participate in interscholastic activities. Here is some information from the MSHSAA website, mshsaa.org.

The Missouri State High School Activities Association (MSHSAA) is comprised of approximately 750 member schools, both public and private, across the state of Missouri. MSHSAA's eligibility requirements have been voted on by the member schools and were adopted by your school when it became a MSHSAA member. Your school will also have local school requirements that you must comply with in order to be eligible. The Missouri State High School Athletic Association (MSHSAA) is responsible for providing eligibility requirements for both public and private schools across the state of Missouri.

STUDENT ESSENTIAL BY-LAWS

2.2 CITIZENSHIP REQUIREMENTS

2.2.1 Citizenship: Students who represent a school in interscholastic activities must be creditable citizens and judged so by the proper authority. Those students whose character or conduct is such as to reflect discredit upon themselves or their schools are not considered "creditable citizens." Conduct shall be satisfactory in accord with the standards of good discipline.

2.2.2 Law Enforcement:

- a. A student who commits an act for which charges may be or have been filed by law enforcement authorities under any municipal ordinance, misdemeanor or felony statute shall not be eligible until all proceedings with the legal system have been concluded and any penalty (i.e., jail time, fine, court costs, etc.) or special condition of probation (i.e., restitution, community service, counseling, etc.) has been satisfied. If law enforcement authorities determine that charges will not be filed, eligibility will be contingent upon local school policies.
- b. After a student has completed all court appearances and penalties, and has satisfied all special conditions of probation and remains under general probation only, local school authorities shall determine eligibility.
- c. Moving traffic offenses shall not affect eligibility, unless they involve drugs, alcohol, or injuries to others. (Editor's Note: If a traffic offense is accompanied by an act covered in letter a above, such as property damage, bench warrant, etc., eligibility will be delayed per letter a.)
