JANUARY 2024

As we begin the new year, let us not forget those who made the ultimate sacrifice and are no longer here to celebrate along side us. Remember the families who will be without a loved one this new year and need support from those around them to find peace and comfort.

HERE'S TO THOSE WHO DIDN'T MAKE IT TO

# 2024

### THOUGHTS FOR THE NEW YEAR

Every new year brings new resolutions, most of which are never achieved or are just plain forgotten about. Maybe, just maybe, this year can be different. Here is a list of ideas, or resolutions that you may find easy, and fun enough, to hold yourself accountable to complete.

- Slow down.
- Read a book
- Use your turn signals.
- Spend more time with friends and family
- Don't text and drive.
- Try a new hobby
- Don't tailgate.
- Plan a trip to somewhere new.
- Don't drink and drive.
- Give a compliment everyday.
- Be a designated driver
- Go to a concert.
- Donate or volunteer with a cause you care about.

Hopefully, something on this list inspires you to go outside your comfort zone and start something you will continue for years to come. Happy New Year!
