The Annual Cops and Bobbers Fishing Tourney recently took place at Red Oak Resort in the Lake of the Ozarks, and the attendance was record-breaking! There were 130 boats with officers and civilians from St. Louis and other parts of the state. The tournament is a fundraiser for the St. Louis County Police Welfare Association and the CHADS Coalition for Mental Health. Thank you to all the sponsors, volunteers, and fishermen for making this year's event a huge success.

On September 22<sup>nd</sup>, representatives from numerous Valley Park businesses gathered for a BBQ lunch, hosted by English Sweep. The event was put on as a way for local businesses to meet and learn about one another, as well as promote the newly revived Valley Park Business Association. Attendees enjoyed some delicious BBQ, games, a tour of English Sweep's facility, and engaged in some great conversations. We are looking forward to future events and seeing the association and business community grow.
